**Re: *United States v. Jason Mojica, 19 Cr. 280 (RA)***

Dear Judge Abrams:

Consistent with the Court's instruction, the Government writes to update the Court on the current status of the above-captioned case. The Government has conferred with defense counsel, who informed the Government that the defendant wants to go forward with the hearing remotely, rather than in person, on December 7, 2020. Based on correspondence from Your Honor's deputy, the Government understands that the defendant has been ordered to be produced for a video conference on December 7, 2020, from 2:00 p.m. to 5:00 p.m. The Government will be prepared to go forward at that time. The Government has not yet located the victim, but is continuing to search for him.

The Government has produced Rule 16 discovery and Jencks Act material, including police reports, audio of a 911 call, notes from interviews of a detective and an assistant district attorney (the "ADA"), emails from the detective and ADA, the ADA's case notes, text messages between the ADA and the victim, and records regarding the victim's criminal history. The Government will continue to produce discovery and Jencks Act material on a rolling basis.

Respectfully submitted,

AUDREY STRAUSS  
Acting United States Attorney
